February 24, 2004

Sir:

Please find attached to this correspondence, a copy of an Official Filing Receipt received from the USPTO and a copy of an originally filed Declaration/Power-of-Attorney in the above-identified patent application for which issuance of a corrected filing receipt is respectfully requested. There are multiple errors with respect to the following data:

1. Error in: **Applicants**  
*Incorrect spelling:* MOHOMED ISHA(G) JAMEEL  
**Corrected spelling:** **MOHOMED ISHA(Q) JAMEEL**
  
2. Error in: **Applicants**  
*Incorrect first-named inventor:* First named inventor identified as Mohomed Ishag Jameel  
**Corrected first-named inventor:** **First - named inventor – Hans Schwade (as identified in the Declaration/Power-of-Attorney)**

We respectfully request that the first-named inventor be changed to correctly reflect **Hans Schwade** as the first-named inventor, as identified in the originally filed Declaration/Power-of-Attorney, (*attached*) and to correctly spell inventor Mohomed Ishaq Jameel's name. Thank you in advance for your assistance with this matter.

Respectfully submitted,

Michael J. Mehrman  
Reg. No.: 40,086

## FILING RECEIPT

\*OC000000010944146\*

Date Mailed: 09/29/2003

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

**Applicant(s)**

Mohamed Ishag Jameel, Lawrenceville, GA;  
Bruce Townsend, Flowery Branch, GA;  
Hans Schwade, Atlanta, GA;

Multi-media rotating sootblower and automatic industrial boiler cleaning system

Preliminary Class

015

---

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license; unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related application(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
